

IL BORRO
TOSCANA

Auction

Experience

Following the great success of last year's auction, Il Borro will once again host this exclusive event dedicated to the world of horses, in association with MVD and Flanders Foal Auction. It will be a unique auction of selected superb embryos with the best showjumping genes in the world. 'Flanders' has a very strict selection procedure and offers embryos out of the best international bloodlines. The foals to be born in 2024 are sired by famous stallions, are bred from top sport mares or are closely related to successful Grand Prix horses.

The event is not only about the auction, but it is also an opportunity for an unforgettable and exclusive experience in the very heart of Tuscany. We look forward to welcoming you in a place like no other!
